

## Position Description

<b>JOB TITLE</b>	Technician, Pier 2/3
<b>REPORTS TO</b>	Technical & Facilities Manager
<b>TERMS</b>	Casual

### ABOUT THE ACO

Led by its charismatic Artistic Director, Richard Tognetti, the Australian Chamber Orchestra is renowned world-wide for its inspired and courageous programming and unrivalled performances. The ACO collaborates with an extraordinary range of artists including the world's leading performers, cinematographers, writers, and visual artists. In early 2022, the ACO will move to its new, purpose-built home on Pier 2/3 in Sydney's Walsh Bay Arts Precinct, which includes a 275 seat Performance Space, Rehearsal Room, Media Suite, and Event Space - an exciting new home for performance, presentation, community engagement and collaborative opportunities.

### ABOUT THE POSITION

The ACO's move to Pier 2/3 will transform the ACO on many levels after operating more than 20 years underground at their Circular Quay base. Our casual technical crew are responsible for working collaboratively to deliver services to the highest possible standards, whilst ensuring that the working environment and technical elements of a show adhere to WHS legislation.

This role represents an incredible opportunity to work in the ACO's new home. The key venues in the ACO tenancy are:

**Performance Space (c. 400m<sup>2</sup>) "The Neilson" with Control Room:** a flexible space of 275 seats, including balcony, able to be configured to a flat floor with a retractable seating bank. Designed for classical, other acoustic and amplified music performances, rehearsals, recordings, talks, film screenings and other events. Provisioned with rigging for DMX controlled architectural, platform and production lighting, sound recording, projector and screen and sound systems (including installed d&b loudspeaker system, microphone winches, Yamaha AFC4 active architecture system with spatial audio support for cinematic audio playback).

**Rehearsal Room (c. 100m<sup>2</sup>):** a flexible space for music rehearsals, workshops, recordings, masterclasses, talks and presentations (for up to 80 people). Provisioned with rigging for DMX controlled lighting and sound recording, installed d&b loudspeaker system, microphone winches, as well as projector and screen.

**Event Space (c. 120m<sup>2</sup>) with commercial kitchen and bar:** a flexible space accommodating up to 230 people that can be used for a range of events and functions in different formats. Provisioned with architectural lighting and overhead rigging for DMX controlled production lighting, an installed d&b loudspeaker system and projection infrastructure.

**Media Suite (c. 20m<sup>2</sup>):** a multi-role ergonomic workspace for recording control, broadcast control and presentation, as well as audio and video post-production. Provisioned with professional studio monitors for critical listening, wall mounted LCD panels and console mounted LCD screens providing access to video links to ACO spaces, display playback of video assets for post-production work, as well as hardware and software for audio recording and production and live streaming.

In addition, there is a Shared Foyer with other Pier 2/3 tenants (Bell Shakespeare and Australian Theatre for Young People).

## **TERMS**

This is a casual position based at Pier 2/3 in the Walsh Bay Arts Precinct, Sydney.

Our technicians will be required to work after hours and on weekends in line with ACO's operational needs and in consultation with the Technical and Facilities Manager.

Due to the nature of this position, the successful applicant will also need to successfully complete a Working with Children Check.

## **DUTIES AND RESPONSIBILITIES**

- Work as part of a team, providing a consistently high level of technical service to all performances / rehearsals / recordings / events ("activities") within ACO's tenancy at Pier 2/3;
- Set up and operate and specialist technical equipment for activities, ensuring that all resources are set up within required timeframes;
- Rig, patch and operate theatre lighting equipment including DMX controlled devices;
- Set up, program and mix live sound in a live performance and recording environments;
- Set up, program and mix live vision in both live performance and recording environments;
- Ensure safe use of the venues' technical infrastructure as and immediately report any safety or maintenance issues to the Technical and Facilities Manager;
- Undertake event risk assessments as required;
- Assist in maintaining and updating technical specifications as required;
- Attend and participate in Back of House event briefings as required;
- Check the conditions of the ACO Performance, Rehearsal and Event Spaces prior to client access;
- Maintain cleanliness and function of any Back of House area in the ACO Performance and Event Spaces and undertake specified cleaning tasks of Control Room, Performance Spaces, and equipment as required;
- Assist in emergency situations as required, including acting as warden in the case of an evacuation or emergency;
- Comply with the ACO's WHS Policy and COVID Safe Plan, and ensure that all health and safety requirements, including Standard Operating Procedures and Safe Work Method Statements, are met for the use of the ACO Performance, Rehearsal and Event Spaces
- Provide a high level of customer service and communicate effectively and sensitively with internal and external stakeholders;
- Comply with the ACO's Policies and Procedures,;
- Ensure compliance with the Walsh Bay Arts Precinct Operational Plan of Management; and
- Comply with the ACO uniform, dress code and personal presentation directions.

## **KEY RELATIONSHIPS**

- ACO Technical and Facilities Manager
- Duty Technical Manager
- ACO Front of House & Event Services Manager
- ACO Commercial & Venue Partnerships Manager
- ACO Operations & Development Staff
- ACO Musicians and Guest Artists
- Hirers of ACO's Performance and Event Spaces
