KEY INFORMATION

Vehicles must always be escorted by an ACO staff member on the Pier. The loading dock and Pier are very narrow in places - experienced drivers are required.	
Direction of movement	Forward only – reversing not permitted unless turning
Turing Areas	North-east corner North-west corner South-east footbridge (cars only)
Maximum vehicle length	8.8m (Medium Rigid Vehicles)
Maximum gross weight (truck plus contents)	10T
Loading Dock preferred vehicle length	6.5m (Small Rigid Vehicles) and under NB There is no forklift on site, so vehicles with tail-lifts or ramps are required for items unable to be hand-loaded
ACO Lift 3 allowable vehicles	Vans, cars and light trucks under 3.5T only
Permitted hours	Loading Dock: 7AM to 10PM ACO Lift 3: 6AM to midnight.
Maximum Speed	10km/hr
Parking	NOT PERMITTED on the Pier aprons. Refer over page for car parking options
Loading Dock Usage	Can only be operated by trained ACO staff members and approved, trained contractors. Children are not permitted

ACCESS PROCEDURE

- Enter via the boom gate after the roundabout with the smashed car sculpture on it (Entry 2).
- Call Australian Chamber Orchestra via the boom gate intercom:
 - Press 4 then star (*) on the keypad at the boom gate OR
 - Phone the ACO Duty Technical Manager on **0447 095 200**, or the ACO Duty Front of House Manager on **0460 973 582**.
- Turn on hazard lights.
- Follow the ACO staff member to the destination.

SAFETY

- **PPE required:** high-vis vest and closed toe shoes
- If there are any major obstructions that cannot be moved or additional assistance is required, please contact the ACO Duty Technical Manager on **0447 095 200**, or the ACO Duty Front of House Manager on **0460 973 582**.
- Pier 2/3 aprons, including the loading dock area, are often used by the public, including recreational fishers.
- If staff, hirers, or contractors find themselves faced with a threatening situation that may impact their personal safety during their work at Pier 2/3, they are to:
 - Remain calm and not provoke those that are behaving in a threatening way or aggravate the situation.
 - Call the Police (000) and or Ambulance if it's an emergency or if anyone is injured or at risk of danger.
 - Call ACO Management (ACO Duty Technical Manager on **0447 095 200**, or the ACO Duty Front of House Manager on **0460 973 582**.); and
 - Note details concerning the incident.
